Judging clinics are scheduled for:

Saturday May 31, 9-10am at Scottish Hills

Saturday June 7, 9-10am at Wood Valley.

Both clinics will cover the same info. Please be sure that your team's coach and TDA rep attend one of these sessions, and encourage your team parents to attend so that we have trained judges for our meets.

If you haven't already done so, please forward your team dues (\$100) to Joe Preston.

THD and NCSU can wait until closer to June to get final headcount and send dues payment - \$5 per diver or \$100 per team.

Please review the attached contact list and let me know if there are any updates to your team's information.

TDA guidelines were approved at the meeting last Sunday. Two updates that have been made since:

1) entry fee for TDAs will be increased from \$5 per diver to \$7 per diver, with \$2 per diver going to Northbrook for use of their facilities

2) team coaches will serve as judges at the TDA championships

These changes have been made to the guidelines.

Melody Wooten is this year's TDA Secretary, and is responsible for tracking divers' scores through the season.

At the conclusion of each meet, the host team must email or mail a copy of the Score Sheet to Melody.

Please get her the info within a few days of the meet so that she can keep up with all of the scores.
